The first American Legion National Economic Commission Award was established in 1947, and recognized individuals across the country who had established outstanding records in the employment and retention of workers with disabilities. Since that time, categories were added to the current nine award programs.

The National Economic Commission is striving to award all possible pending awards that are available to The American Legion. We implore all departments to continue to submit award nominations for the awards with the hope that we receive all 400 + possible nominations. We are striving to reach 100% participation in this program.

THE EMPLOYER OF VETERANS AWARD

Information Sheet

History: The National Economic Commission expanded its Employer Awards Program in 1969 when it created an award category for employers of veterans. Originally, departments were permitted to submit one nomination each for a large and a small employer of veterans. In 1992, the number of awards for employers of veterans was increased. Today, departments may submit a total of 3 nominations for this category for national consideration.

- One nomination for a small company with 50 or fewer employees
- One nomination for a medium sized company with work forces of 51 to 200
- One nomination for a large company with 201 or more employees

National Awards: These awards, one in each of the three employers of veterans size categories, are presented at the National Convention. In order to be eligible for the Employer of Veterans Awards, nominees must meet the following criteria:

1) At least 10 percent of the nominee’s work force must be veterans.
2) The nominee must have been in business for at least five years.
3) The nominee cannot restrict employment to veterans only.
4) The nominee must be a private sector employer. In other words, the nominee cannot be a city, state or federal employer.

A department that submits a nomination for an employer of veterans that does not meet the above criteria will receive a plaque for presentation. However, that nominee will not be eligible for a national award.

Selections of the Employer of Veterans Awards are made by the National Economic Commission Award Subcommittee, which meets during the annual Washington Conference.

Purpose of Award: To confer recognition on one small, one medium and one large employer in each state for outstanding records in the hiring and retention of veterans.
Deadline: The deadline for submission of nominations of employers of veterans is no later than January 15th. Nominations received after that date will not be eligible for consideration for the national award.

Procedure: Nominations from posts, or sources outside the Legion, must be sent to department headquarters. The department then selects one nominee each in the small, medium and large employer categories and sends the nomination forms and supporting information for the winning employers to the National Economic Commission. Those nomination forms must be signed by either the department adjutant or department employment chairman. Nominations that arrive without supporting information will not be eligible for the national awards.

Nomination Form: A copy of the official nomination form, which is the same for all three employer size categories, follows. Additional copies may also be obtained by writing or calling the National Economic Commission, The American Legion, 1608 K Street NW, Washington, DC 20006; phone 202-861-2700, or online at Econ@legion.org.

Award: The commission provides free plaques to each department that submits nominations. It is recommended, however, that posts and departments recognize their other nominees with plaques or awards that can be purchased for a nominal cost through Emblem Sales. The National Winner will receive a large plaque to be presented by the National Commander at the Annual National convention and will receive a stipend to help defray the cost of their representative’s travel to the convention city to accept the award.

EMPLOYMENT SERVICE AWARDS

Information Sheet

History: In 1990, a resolution established a national awards program to recognize outstanding Employment Service (ES) offices and employees.

Both the National Economic Commission and the Internal Affairs Commission’s Trophies and Awards Subcommittee conducted extensive studies and both recommended approval and referred the resolution to the National Executive Committee for final approval. The NEC unanimously approved the resolution at its spring 1992 meeting.

Purpose: The purpose of the ES awards program is to confer national recognition annually on one outstanding Local Veterans Employment Representative (LVER), one Disabled Veterans Outreach Program specialist (DVOP), and one local Employment Service (ES) office. LVERs, DVOPs, and the ES office provide job counseling, testing and placement assistance to unemployed and underemployed veterans.

Deadline: The deadline for submission of nominations of the ES office is no later than January 15th. Nominations received after that date will not be eligible for consideration for the national award.

Procedure: Nominations from posts, ES employees or other sources must be sent to department headquarters. The department then selects one nominee each in the LVER, DVOP, and ES Office categories, and sends the winning nominations with their supporting information to the National Economic Commission. Either the department adjutant or department employment chairman must sign those nominations. Nominations that arrive without supporting information will not be eligible for the national awards.

Nomination Form: A copy of the official nomination form, which is the same for all the ES office categories, follows. EMPLOYER OF OLDER WORKERS AWARD

Information Sheet

History: In 1958, the National Economic Commission expanded its Employer Awards Program by creating an award for employers of older workers. Because the commission saw older workers as a valuable economic resource of proven skills, stability and experience, it wanted to encourage employers to hire and retain older workers in the work force. National “Employ the Older Worker Week” was established by The American Legion and is observed during the last full week of each September.

The National Economic Commission believes that this particular award category will become increasingly important over the next few years. Several major studies have concluded that as we move through the twenty-first century there will be fewer young people entering the labor market. As a result, it will be necessary for employers to encourage older workers to stay in the labor force.

Purpose of Award: To confer recognition on one employer in each state for an outstanding record in the hiring and retention of older workers.

Deadline: The deadline for submission of nominations of Employer of Older Workers is no later than January 15th. Nominations received after that date will not be eligible for consideration for the national award.

Procedure: Nominations from posts, or other sources must be sent to department headquarters. The department then selects one nominee and sends the winning nominations with their supporting information to the National Economic Commission. Either the department adjutant or department employment chairman must sign the nomination. Nominations that arrive without supporting information will not be eligible for the national awards.
