Membership Report
DSVC Nelson Blake Membership Chairman
Nelson Blake
DSVC/ Membership Chairman

Membership report as of the 15th of November on the national membership report the Department of Massachusetts is in 20th place with a total of 69.31% well above the goal of 65% but that doesn’t mean we stop with membership we keep striving towards the next goal of 75%. I would also like to thank all districts that reached or exceed the 65% goal, I would like to thank my Vice Commanders for keeping one the districts that there assigned to work with and a Big thanks to all the Department headquarters office for all the hard work they do with membership that is sent in to them, on different note the detachment sits at 41 by the nationals list for membership with a total of 34.08% just under the 35% needed by the 15th of November, I would like to thank both of the Past National Commanders for allowing me to serve this outstanding
department as senior vice commander and I would also thank Commander Davis and the members of this Department to allow me to serve as your senior vice and membership chair.

OTHER COMMITTEE REPORTS
Women’s Membership
DECW Cindy Lacoste

Greeting Fellow Legionnaires, I wanted to update you on the Women Veterans Network (WVN) and what has been transpiring since this summer. As you may have heard during this past year the Department of Veterans Services was turned into its own cabinet position and is now the Executive Office of Veterans Services (EOVS), with Secretary Santiago reporting directly to the Governor. Because of this transition taking place the WVN has not met since August due to the restructuring and other timing issues. However, they are still busy putting out information to the women veterans in the state through their monthly newsletter and also posting upcoming events that you can sign up for through Eventbrite.

It is important that when we are visiting a Post that a sheet of information on the WVN be dropped off so we can encourage all our women vets to sign up directly with the WVN and get the updates directly to their emails. The WVN website and the Eventbrite websites are listed below to make it easier to direct women where to sign up for some information:

https://www.mass.gov/orgs/massachusetts-women-veterans-network
https://www.eventbrite.com/o/ma-women-veterans-network-45955773233

This final website listed below is a central location to find resources, benefits and services in Massachusetts for all veterans, and at last view there are 334 of them listed alphabetically.

https://www.mass.gov/collections/vets-advisor

In other news, EOVS was tasked last year with reinstating both the Gov. Advisory Council on Women Veterans and the Gov. Advisory Council on Veterans Services. I am happy to report that both Councils have been filled and the members were sworn in on November 6th at the State House in Boston. Each is in the process of setting up their first meeting, most likely before the end of the year.

One last item that came across my desk which ties to our Be the One mission, is the Governor’s Challenge to Prevent Suicide Among Service Members, Veterans and Their Families. It is the creation of Focus Groups with female veterans to access and utilize peer services. I have placed flyers on the tables today. Please pass this on to all those you come in contact with to help spread the word.

Some statistics for those who enjoy numbers like me:

Number of Women Veterans in MA: 22,391 of 1,882,848 National (2017)
Percent of women Veterans in MA: 6.93% of 9.41% National
Percentage of women in the military: 17.3% of the total 231,741 (active duty) and 21.4% of the total 171,000 (National Guard)(2021)

Always feel free to reach out to me with any information or questions.
I called June about the women’s luncheon and they will be having it in the spring.

CHILDREN & YOUTH
Drew Pajak Chairman
A meeting was held via Zoom on the 26th. Jesse Limanek was introduced as the Sons representative on the committee.

The order form for the Child Welfare foundation Polo Shirt Fundraiser has been released and is on the web site. Orders will be sent to the Department Office, and we will order in bulk for a better price.

Suki Blake advised about the Mini Golf tournament being held by the Auxiliary for Child Welfare the Sunday after the bowling tournament the sons are holding. 5 people per team and hole sponsorship is available. The auxiliary is focusing on Braille Press this year as they were child welfare grant recipients. Information is available on the Auxiliary website under events.

Jesse provided information on the bowling tournament the sons hold which will be on March 23rd (information has changed since our meeting location and date have changed.)

Brochures have been acquired from national and some have been passed out. The department has added a line item for marketing items and the adjutant advised she was after a printing line item also.

The Finance committee advised us that the programs for children that we support are running at a shortfall in most cases. The committee was asked to get the word out to get post to sponsor children to the programs whether they are from their own post or area.

The Adjutant was asking about working on a single fundraiser to support all the youth programs of the legion. We spoke about reaching out to some of the senators that have expressed interest in the programs and reaching out to maybe get sponsors for some of the programs. Example would be alumni and unions for law cadet and emergency equipment suppliers in the area to sponsor the program. On the Boys State side looking at talking to the house and senate. The Committee was asked to focus on finding funding for Law Cadet, Boys and Girls State and Oratorical for now.

The adjutant asked for Flyers for all youth programs so she can send out one mailing when she sends out Oratorical information.

Contact was made with Art Lobdell who is the Assistant Scout Executive for the Western mass Council of the Scouts. He asked to get together about more collaboration between the scouts and the legion beyond the Eagle Scout program. OC will be given his information to make contact. He also provided a list of all troops in western mass to see about getting them to the Legion Camporee.

A request was made to have all the mailings the department sends out sent direct to the district commanders to try and get the information out to more posts. It was mentioned that many posts don’t look at the mailings and that at least the district commanders could put it out and the meetings if they got it directly.

Reminder was given about keeping track of the Donations made to Child welfare and getting those numbers to the Adjutant.

The committee was asked to advise programs in their districts about the Child Welfare Grants to see if they are eligible. This year Boston Pediatrics was a recipient.

Next meeting will be at the call of the Chair and will have all dates for Programs.

Respectfully submitted as one in progress

Drew Pajak, Chairman Children and Youth

Due to the closing of Union Lanes in Holbrook Bowling will now be moved to Timber Lanes in Abington. And they have 22 lanes so there will be 22 bowling teams with a cost of $125 per team. The date is April 13, 2024 free pizza and a bottle of water for each bowler. They also have a lounge and restaurant where you can purchase food and drinks, I will be sending out flyers with all the details.

On the Detachment level will be getting a new server, we feel the need for more communication with our members. We have taken 2000 email addresses off of mylegion to help with donation and supporting our programs.

Please keep National Chaplain Ernie in your prayers as he has COVID and it has traveled to behind his eyes. Keep the healing hand of God upon him.

MARKETING REPORT
Michael Davis Chairman

Our next marketing fundraiser will be the winter sweepstakes drawn at the January Department Executive Committee Meeting. You should have all received your sweepstakes tickets in the mail by now. Please consider returning your tickets with the suggested donations as not only does your donation support your department and its programs but you can win cash prizes ranging from $500 to $3,000.

Our partnership with The Springfield Thunderbirds of The American Hockey League and the "Veteran of the Game" and "challenge accepted" campaign kicked off again this season when on opening night in Springfield Department Commander Sandra Davis and NEC Jodie Pajak presented the veteran of the game with the coin during one of the breaks in play. The department also had an information table at the game staffed by Department Executive Committeewoman Cindy Lacoste, Assistant Department Sergeant at Arms Adam Dowd and Westfield Post 124 Commander Eric Volk. Many thanks to them for staffing the table and answering any questions that anyone had about our organization.

The committee met via zoom and discussed some marketing programs. Two programs were brought to our attention during national convention. One was an oral history project of our department that had the potential to raise some money for our department. However due to negative feedback on this from other department adjutants whose department used this company, the committee decided not to move forward with this. The second was an online 50-50 raffle fundraiser in which the committee is interested and the department is exploring a way to facilitate this.

Lastly the committee has been approached by comedian Wayne Soares who some of you may remember performed at our pre convention get together some years ago. Wayne hosts a veterans and military cooking show The Mess Tent. NEC Jodie Pajak has been in contact with Wayne via email about a sponsorship with The Mess Hall which airs on NBC 10, NECN and Rally Point. The sponsorship would provide us exposure and would include such things as Wayne wearing American Legion attire, 3 show tapings at various posts, playing of 4 PSAs that we would provide the show, American Legion inclusion on social media posts, sponsor info slide at the beginning of the show and special recognition to one member each show as well as a "shout-out" from a Legion member on each show during the show's Mail Call segment. We were able to negotiate a discounted rate but it still does not come cheap and would cost $5,000.

In conclusion as always I would ask you to support promoting our organization in any way you can whether it be wearing American Legion shirts, jackets, or hats or just talking about what we do to anyone who should ask. Any positive exposure helps. Also as always if you have any marketing ideas please bring them to our attention as any idea within our budget and capabilities will be considered.

Respectfully Submitted,
Mike Davis PNEC Marketing Chairman

ROTC
S Ryan Howe Chairman
The ROTC units have been busy this year with different competitions taking place and taking on roles within our local communities. Since the last DEC Haverhill High School JROTC took First place in one of their competitions. There were 67 schools that took part in this competition so a well done and Congratulations to Haverhill High School on taking first place. Along with taking first place Haverhill High School has all been designated “Naval Honor School” for the 4th year in a row.

Post 124 took part in a Veterans Day Ceremony at Westfield State University with their ROTC unit. Along with other community events that the City of Westfield has put on. On November 11th, Haverhill high school took part in their Veterans Day parade. While at the Haverhill Veterans Day parade Cadet Captain Lizeth Deferia received a scholastic award and a check for $500.00 from Post 4.

The Brockton ROTC unit was at the Veteran expo on September 23rd at the Brockton VA and was part of the Veteran Day Parade in Brockton. They also were asked and presented our Nations colors at their Veterans Day Assembly.

Respectfully submitted as one in progress,
S. Ryan Howe, ROTC/JROTC Chairman

Boys State
PNVC Mark Avis

BOYS STATE STAFF HAS BEEN BUSY SETTING UP A MATCHING GROUP OF COUNCILORS TO ASSIST THE DISTRICT CHAIRMAN THIS YEAR. THE PURPOSE IS TO INCREASE PARTICIPATION IN THE PROGRAM AS THIS YEAR WE FELL UNDER THE 200 MARK. WITH THE DECLINING NUMBERS AND INCREASING COSTS, PROGRAMS SUCH AS BOYS STATE WILL NO LONGER EXIST. EMAILS WERE SENT TO ALL CHAIRMAN WITH THE CONTACT INFORMATION FOR THE STAFF MEMBER ASSIGNED TO EACH DISTRICT. I HAVE AT LEAST 3 WHO HAVE NOT RESPONDED, I HAVE SENT A FOLLOW UP EMAIL TELLING THEM TO CHECK THEIR SPAM FOLDER IF THEY DID NOT RECEIVE AN EMAIL AND THEN HEAD OF STAFF BRANDON BONO SENT A FOLLOW UP EMAIL WITH THE CONTACT INFORMATION.

A SERVER WAS BOUGHT FOR BOYS STATE MANY YEARS AGO AND HAS NOW REACHED ITS END. WE HAVE BEEN LOOKING INTO BUYING SPACE ON THE CLOUD INSTEAD OF GETTING A NEW SERVER AT THIS TIME. THE COST TO START IS 1,000.00 FOR THE SET UP AND 1 YEARS USE. WE THEN WOULD LOOK INTO A MULTI YEAR DEAL OR A BETTER WAY TO STORE THE INFORMATION. I FEEL IT IS IMPORTANT THAT ALL BOYS STATE INFORMATION BE STORED ON SPACE OWNED BY THE AMERICAN LEGION “BOYS STATE” SO THAT ALL INTELLECTUAL PROPERTY REMAINS THE PROPERTY OF THE AMERICAN LEGION.

WE WILL BE ADVERTISING IN THE NEWSLETTER OF THE MASSACHUSETTS SCHOOL COUNCILORS ASSOCIATION. THEY HAVE A CIRCULATION OF ABOUT 6,000 SO THIS WILL BE WIDE SPREAD. THE INFORMATION WILL CONSIST OF INFORMATION ABOUT OUR PROGRAM AND WILL HAVE A QR CODE THEY CAN FOLLOW TO THE WEB SITE WHERE THEY CAN EXPRESS INTEREST IN THE PROGRAM (ATTACHED WILL BE A PRINTABLE DOCUMENT THEY CAN POST ON THE BULLETIN BOARD).

IF OUR RESPONSE IS REASONABLE WE WILL WANT TO EXPAND IT TO OUR OTHER PROGRAMS TO EXPAND THEIR PROGRAMS WITH THE SAME TYPE OF DOCUMENT TO BE PRINTED AND POSTED.

WE ARE TRYING NEW THINGS AND NOW NEED YOUR HELP TO BRING THE NUMBERS BACK UP TO 300 AGAIN. REMEMBER THE DATES JUNE 15 – 21, 2024 AT STONEHILL COLLEGE.
LASTLY I PRESENT THE FINANCE OFFICER WITH A CHECK FOR 15,000.00 TO BRING THE 2023 BOYS STATE BILL OUT OF THE RED AND INTO THE POSITIVE I BELIEVE.

RESPECTFULLY SUBMITTED, MARK A. AVIS, BOYS STATE CHAIRMAN

CPR
Fred White Chairman
The American Legion’s Consolidated Post report (CPR) was established nearly 40 years ago to assist departments in the documentation of activities that a specific post completed during the 12 month (June 1 – May 31) reporting period.

The CPR form can be downloaded, filled out and submitted by mail. When choosing to submit the paper form, send the original and one copy to your department headquarters by the date they specify. Keep the third copy for post records.

Post can fill out and submit CPR forms online at mylegion.org: the forms are located under “Post and Department” options. After completing the form online, click the submit button to send the report to National Headquarters, A copy will automatically be sent to your department headquarters.

On line submissions will be available at mylegion.org through July 1, the cutoff for receipt of forms at National Headquarters.

The Consolidated Post Report must be submitted by every post in all Departments of the American Legion. A few department submit a 100% CPR filling. But most Departments are below the 70% completion rate. The Department of MA, the past few reporting years has never exceeded 70% completion rate.

Let this be the year the Department of MA, exceeds the 90% rate. In order to accomplish this, there are a few Districts that need to be over the 90%. They are District 4, District 5 and District 10. That is assuming that all other Districts are over 90%.

The National Commander can only report what was submitted by the posts who reported, the other posts who didn’t report their work for the year isn’t reported anywhere. So the figures that the National Commander reports to Congress are not the true figures. There is still a lot of work done by various post’s that is never reported.

I believe that if all posts submitted a Consolidated Post Report, the final figures would blow the elected officials minds as well as the general publics.

Which is the reason you should submit a Consolidated Post Report.

If you are having trouble filling out a Consolidated Post Report, contact one of the members of the CPR committee. All District Adjutants are members of the Consolidated Post Report Committee.

Respectfully submitted as one in progress,
PDC Fred White Chairman (CPR)
